

STATEMENT OF PURPOSE

RS29241 / S1248

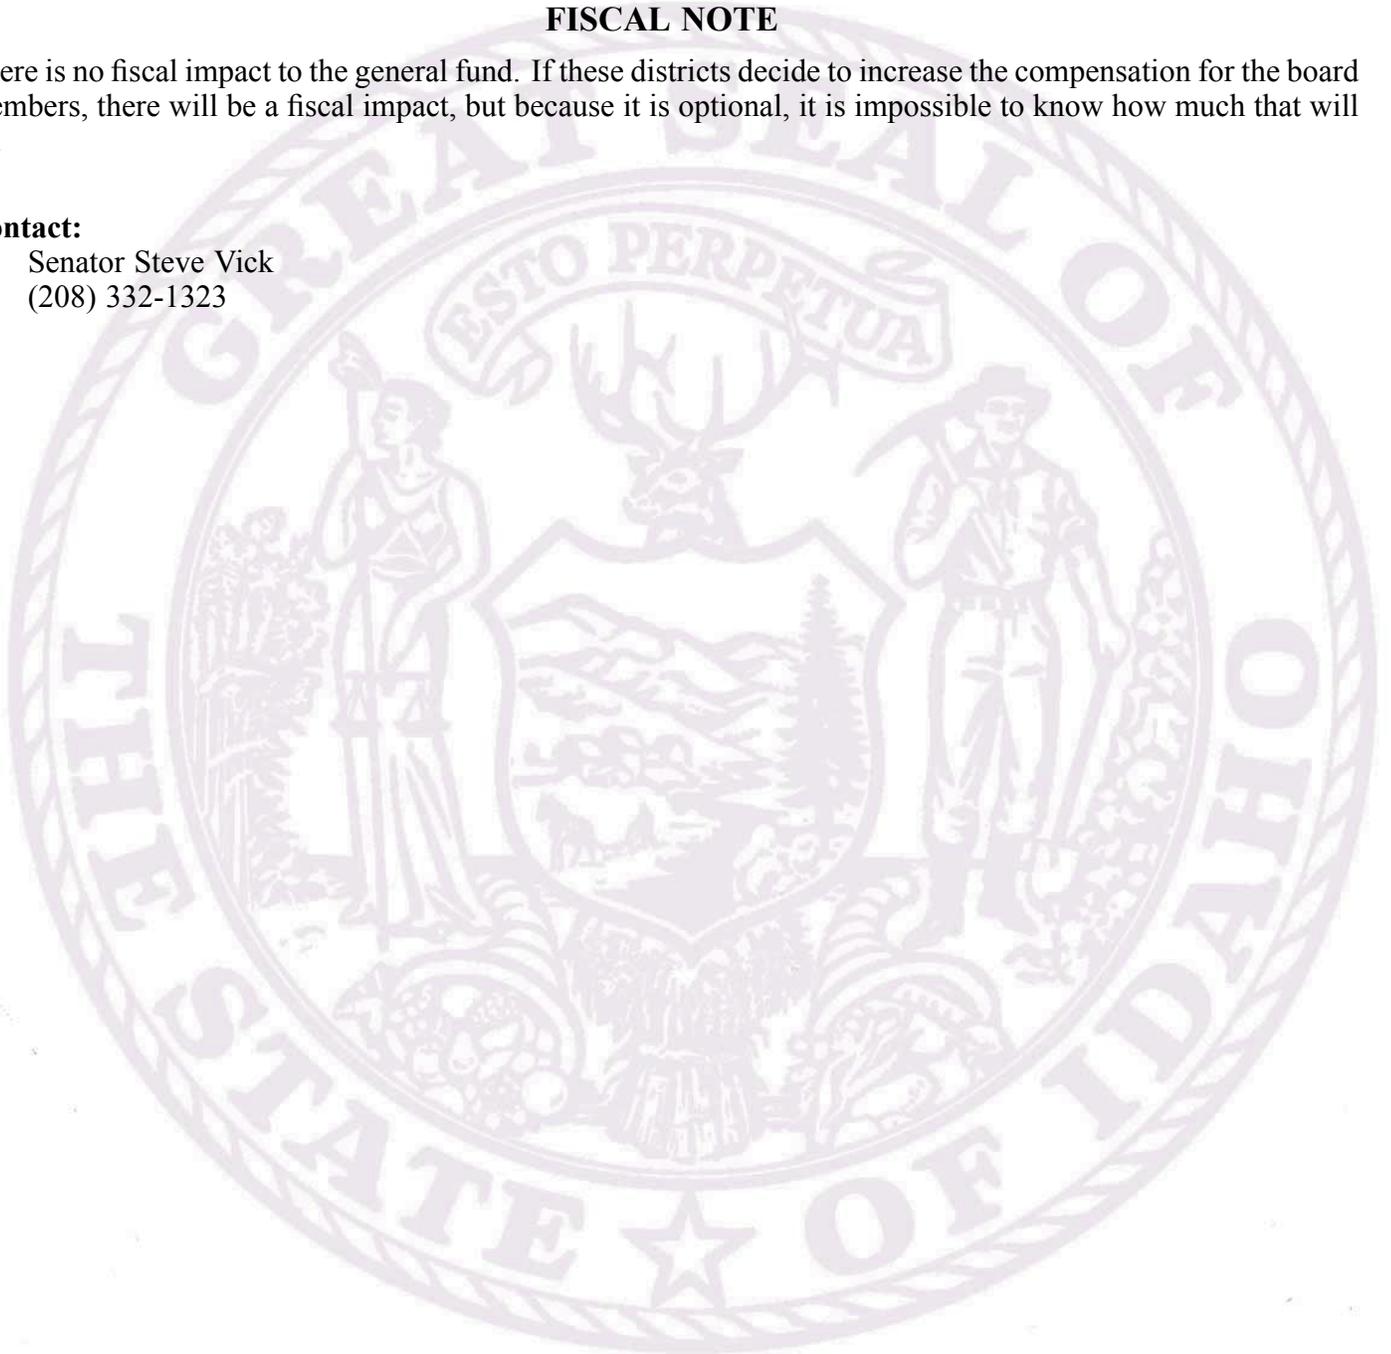

The purpose of this legislation is to allow Water and Sewer Districts to raise the compensation of their board members for their services, if they so choose, from the current maximum of \$100 to a new maximum of \$150.

FISCAL NOTE

There is no fiscal impact to the general fund. If these districts decide to increase the compensation for the board members, there will be a fiscal impact, but because it is optional, it is impossible to know how much that will be.
